EXPLANATORY NOTES:

Resolution 5 – Directors’ power to allot relevant securities

This resolution deals with the Directors’ authority to allot Relevant Securities in accordance with section 551 of the CA 2006 as granted at the last annual general meeting. This resolution complies with the Investment Association Share Capital Management Guidelines issued in July 2016.

If passed, the resolution will authorise the Directors to allot: (i) in relation to a pre-emptive rights issue only, equity securities (as defined by section 560 of the CA 2006) up to a maximum nominal amount of £130,164.36 which represents approximately 66.7% of the Company’s issued ordinary shares as at the date hereof. This maximum is reduced by the nominal amount of any Relevant Securities allotted under the authority set out in paragraph 5.2; and (ii) in any other case, Relevant Securities up to a maximum nominal amount of £65,082.18 which represents approximately 33.3% of the Company’s issued ordinary shares as at the date hereof. This maximum is reduced by the nominal amount of any equity securities allotted under the authority set out paragraph 5.1 in excess of £65,082.18.

The Directors have no present intention to exercise the authority conferred by this resolution.

Resolution 6 – Disapplication of pre-emption rights on equity issues for cash

Section 561 of the Act requires that a company issuing shares for cash must first offer them to existing shareholders following a statutory procedure which, in the case of a rights issue, may prove to be both costly and cumbersome. This resolution excludes that statutory procedure as far as rights issues are concerned. It also enables the directors to allot shares up to an aggregate nominal value of £9,762.33, which is equal to 5% of the nominal value of the current ordinary share capital of the Company, subject to resolution 5 being passed. The directors believe that the limited powers provided by this resolution will maintain a desirable degree of flexibility. Unless previously revoked or varied, the disapplication will expire on the conclusion of the next annual general meeting of the Company or on the date which is 6 months after the next accounting reference date of the Company (whichever is the earlier).
